Tourvision Franchise Advantages

1 No Advertising Expenses

No need to develop and maintain a website, promote your business in search engines and social networks. You will still get a lot of requests and calls on a daily basis

2 Hi-Quality Training

Even if you are a beginner, we can teach you how to quickly start a profitable travel agency. Full time studies and e-learning is available based on market experts' methodologies

3 Comprehensive Support

We assist our franchisees in all work stages. We also have chats to get prompt answers to your questions

4 High Income

Earn more by minimized costs (no marketing and IT automation costs) and increased profitability by 11-13% from selling tours (10% by market)

5 A Full-Fledged Business

You get a full-fledged business model, and not just a signboard. We also give you access to a unique set of business tools that took us 16 years to create

Beginner-Friendly!

Our training will allow a beginner in the tourism business to become a knowledgeable professional and start earning from his first day of work.

2-5 Week Training

You will be learning:

1. Effective sales algorithm
2. Selection & processing of nationwide tours
3. Subtleties of work with tour operators
4. Solving legal issues
5. Working in the automation system
6. Search and recruitment of agency staff
7. Accounting support
8. Adaptation process and staff training
9. Unique technologies and sales subtleties in tourism
10. Way to find the most profitable and hottest tours in the market at a

Nizhniy Novgorod.

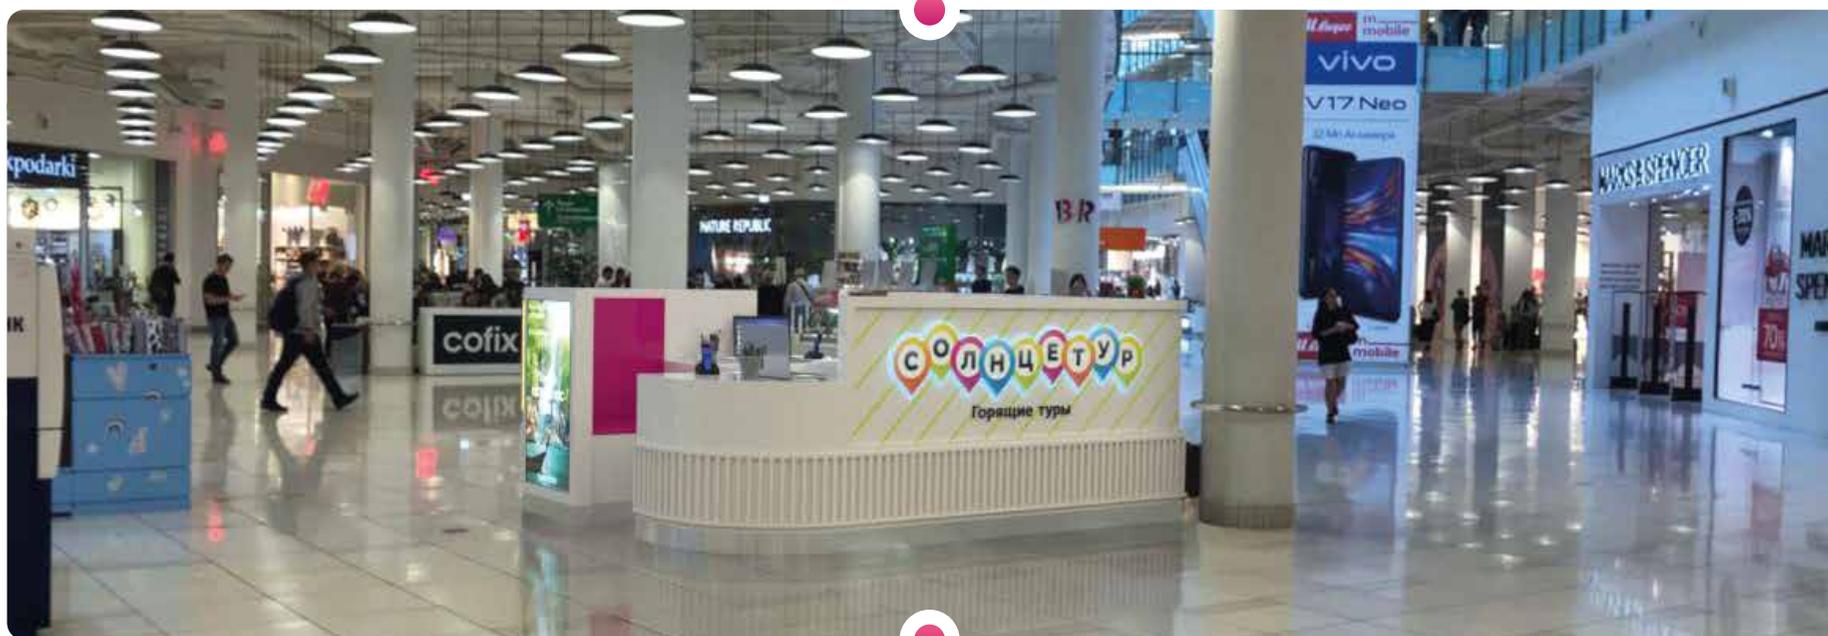

Opening date - September 20, 2018

It's been less than a year since we opened our Solncetur office but we already know that our family has made the right decision. We didn't have any experience in running a business, yet Solncetur has taught us the basics and more. It's not just a travel agency franchise, it's a great experience, the foundation for running any business.

Yasen Tourvision, Ivanovo City.
Opening date - April 3, 2018

“ I wanted to open my own travel agency but the fear of the unknown was stopping me. Gladly, I was able to talk with people who already opened their Tourvision agency, which helped me a lot! And it was also very interesting to learn with the Tourvision Academy.

Tourvision Franchising Package Includes:

- 1 Permission to get customer requests from the website, the apps, and social networks**
There are 290,000 requests in the system as of early 2022. Over 39,000 requests are still not processed. You are welcome to process requests from any other city
- 2 Thorough travel agency management guide**
Complete updated database of electronic documents (employment documents, motivational system, instructions, regulations, provisions for the effective management of the travel agency)
- 3 Access to the largest feed of hottest tours**
The biggest, most diverse feed of hottest tours at lowest prices in the industry, with tours from more than 130 tour operators in a database
- 4 Powerful automated system**
Complete automation of the agency's operation: application processing, tour booking, documents circulation, managers' work reports, finances, reference data.
- 5 Telephony access**
Accepting calls from potential customers, who phone the uniform numbers of the Tourvision. Over 1,100,000 calls come in yearly to the network
- 6 The right to use Tourvision Brand**
Layouts for advertising campaigns and promotions Bold & memorable office design, full-fledged brand book, and workers
- 7 Your contacts listed on our resources**
Last minute tours on the following platforms: iPhone, iPad, Android, Windows Phone & Mac OS. Thousands of people visiting solncetur.ru and our apps will see your contacts

We provide customer requests for FREE

- You won't have to spend any money on advertising because there are plenty of customer requests for everyone!
- **15.000 +** We have over 15,000 incoming customer requests every month!
- **38.000 +** We still weren't able to process over 38,000 requests since 2013
- You can process requests from other cities and book them online

Prompt generation of requests for your office

When a franchisee posts hot tours in our feed, he automatically advertises his office in front of all the network audience, since every last-minute tour includes a phone number of a posting office

Who can see your offer:

Social Media:

540.000 + subscribers in social networks & messengers

Last-Minute-Apps:

1.300.000 + application downloads

Anastasia Fomicheva

Tourvision «Tul'skaya» in Moscow.
Opening date - March 16, 2018

“ We opened our agency in the spring of 2018, right before the vacation season started. Sales began in the first days of work, which made us very happy. Today, we are planning to expand and open one more office.

Your customers will be satisfied

- 1 Easy selection & booking of tours**
With our user-friendly website and application, you can quickly find a tour, get all the necessary information, and book it from anywhere in the world
- 2 Great vacation at affordable prices**
Due to the thorough tour selection, we provide our customers with the quality travel packages at the best market prices
- 3 Outstanding service**
Tourvision customers always get top-rated service and 85% come back
- 4 Convenient & safe online booking**
A unique system of online tour booking guarantees complete payment security and safety of personal information. Your customers can feel at ease while making large payments for tours (the most substantial tour payment up-to-date is 31.000 pounds.)
